## INTERVIEW QUESTIONS

What got you interested in this profession?

Your list of projects are very interesting! Tell me more about how you got them organized.

Coincidentally, I am actually interested in collaborating with some of your professional affiliations! Can you tell me how you became associated them?

Your application is quite impressive, but we have many strong candidates. Can you tell me what you think separates you from other people as well as how you would impact this profession in a positive way?"
